There are many opportunities that comes in our life to make ourselves better day by day. And I am thankful to Almighty first that we the students of Hs 1st yr of MAWCST, MAWCA and Ajmal Boys College of Science, Commerce, arts got the golden chance to display our talents on 19th of October at Lanka College with the guidance of Rebat Nahanta Sir (Degree Section), Jyoti Hazarika Maam (H.S Section) and the teachers of MAWCA & Ajmal Boys College.

We will always be glad to Dh Khasim Islam Sir (Director of Ajmal Foundation), Dh Samim Sojika Begum Maam (College Inspector of Ajmal Group Institution), Sohhab Ali Sir (Cluster head of MAWCST) for giving the privilege to perform on the "RAMBHENU" programme organised by Axom Sahitya Sabha.

We reached there by 1:00 pm by our college bus and started our performance by 5:30 pm with Aynaam, Biyamaam, Bongeet, traditional songs, traditional dance, Bhupen Hazarika's songs has been sung by all the members of our group in front of audience and guests. And ended our programme with the state anthem.

The guests were Tanai Shamma (Singer), Krishna-
moni Chutiya (Singer), Dr Paramananda Rajbongshi
(~~member~~^{President} of Axom Sahitya Sabha), Dr Amalendu
Chakrabati (head of Rabindra Nath Tagore U. of Hojai).

They had liked our performance by appreciating
us and our teachers who had given their best
to make this event a successful one. A lot
of hard work has been done by the teachers
and also the result was ~~more~~^{also} so fruitful

We left at 6:10pm and enjoy
a lot with a full smile in our face instead
of tiredness on the way while returning to
our respective hostels.

We all learn from each day and must
utilise it in a beautiful way. We will
always grateful to all the people who have
taught so many lessons in our life.
